

## **Pigeon-holed: Is this you?**

**10, 15, 20 years into your career and you are restless. You enjoy certain parts of your job but it is not really satisfying anymore. The same head hunters calling offering more of the same.**

**I've been there, done that. Maybe it is time to move on and try something different. Is this you? Check out this website and contact me: [www.richardjschrader.com](http://www.richardjschrader.com)**
